

The adventures of Steve

6 0 1

Chapter 1 by Garrett Smith

There was an old man. He was old but very wise. So wise, in fact, that when the ninja dinosaurs came he was the only one who stood a chance. People all over the world were dying only a few could stop them. The old man waited for years in his fortified, ninja-proof house until someone worthy of the dinosaur-killing knowledge appeared. The man waited and waited but never met a single worthy soul. Then, when all hope was almost lost, a young man named Steve appeared and he was humble, strong, and intelligent. The man knew this was his last hope. He taught Steve the ways of the ninja-dinosaur hunter. When he was done Steve hunted the ninja-dinosaurs until they were all dead and only the leader, the camouflaged ninja-dinosaur, was left. He was particularly tough because you cannot see a ninja or camouflage but both doubles the effect. This was it, what he had been training for. He pulled out a laser gun and proceeded to fight the ninja-dinosaur. When the smoke cleared, the world was safe. But soon another danger would arrive.
